

alliance4action Communications (a4a Communications) serves as a resource for Southeast Arizona progressive organizations who wish to disseminate information to an audience that is broader than their own mailing lists. Send items that meet our guidelines for distribution to: alliance4action@gmail.com.

The following guidelines have been developed for organizations who would like to share items through this platform:

- Items must be compatible with a progressive political agenda.
- Items must be potentially relevant to a4a's email list of subscribers who reside primarily in the Green Valley/Sahuarita area of Arizona.
- Items may include announcements of educational events and special speakers, as well as calls for action, such as rallies, petition signing, contacting legislators, postcard and letter writing campaigns, voter registration drives, etc.
- Items may include requests from organizations for goods and services, however, announcements of fundraising events or requests for monetary donations will not be accepted.
- Submissions must be copy ready, in either Word document or graphic (.jpg, .jpeg, .png) format; the submissions cannot be edited, and a4a is not responsible for content.
- For items that are time sensitive, please submit them at least one week in advance of the event date.
- Announcements will be distributed periodically by email to the a4a mailing list. No announcements will be posted on the a4a website.
- a4a reserves the right to make all decisions regarding distribution of submitted items. In addition to the above guidelines, if the volume of requests is high, some items may not get distributed.

*Disclaimer: the alliance4action (a4a) Political Action Committee (PAC) has been officially dissolved; alliance4action Communications is not affiliated with the previous PAC.
